

The diagram illustrates a number pyramid structure using rectangular blocks. It consists of four rows:

- Top Row:** 16 blocks.
- Second Row:** 15 blocks, each positioned between two blocks of the top row.
- Third Row:** 10 blocks, each positioned between two blocks of the second row.
- Bottom Row:** 10 blocks, each positioned between two blocks of the third row.

The blocks are arranged in a staggered pattern, with each block in a lower row positioned between two blocks in the row above it.
