

A 15x15 grid of black squares on a white background. The pattern is sparse and abstract, with squares distributed across the grid in a non-uniform manner. The pattern is roughly rectangular, with some missing squares creating a textured appearance. The distribution of squares is denser in the center and sparser towards the edges.

[illegible]

A 10x25 grid of squares. The squares are arranged in 10 rows and 25 columns. The squares are colored in various shades of gray, representing a noisy image of the letter 'A'. The noise is represented by squares that are either too light or too dark compared to the expected 'A' shape. The 'A' shape is formed by a central vertical column of squares and two diagonal columns of squares meeting at the top. The background squares are a medium gray, while the 'A' shape is a darker gray. The noise is represented by squares that are either too light or too dark compared to the expected 'A' shape.
