A diagram showing a sequence of 25 squares arranged in two rows. The top row contains 24 squares, and the bottom row contains 1 square. The squares are arranged in a staggered pattern, with the bottom square centered under the gap between the 12th and 13th squares of the top row.

A 3x20 grid of squares representing a 3D object. The top row has 19 squares, the middle row has 20 squares, and the bottom row has 15 squares. The missing squares are at the top-left corner and along the bottom edge.

A diagram showing a sequence of 25 small squares arranged in two rows. The top row contains 24 squares, and the bottom row contains 1 square. The squares are arranged in a staggered pattern, with the bottom row starting under the second square of the top row.
