

A 5x25 grid of squares representing a sparse matrix. The squares are arranged in a pattern that suggests a banded structure with some off-diagonal elements.

A 20x20 grid of squares. The squares are arranged in a pattern that is roughly rectangular, with some squares missing, particularly along the right edge and in the bottom right corner. The pattern is sparse and abstract, with black squares forming a shape that is roughly 18 units wide and 18 units high, with some internal gaps and missing squares.
